3 Cwmni Talybolion – Datblygiad Nant y Fran Development

Cafwyd grynodeb gan Jac Jones o gefndir prosiect Cwmni Talybolion. Deallwyd mai partneriaeth ydoedd rhwng Menter Mechell a Chwmni Cemaes. Atgoffwyd yr aelodau bod y Cyngor wedi gefnogi'r syniad gwreiddiol o godi tyrbinau gwynt er budd y gymuned. Mae tir ar Stad Brynnddu wedi ei glustnodi ar gyfer tyrbinau o'r fath drwy garedigwydd Mr Robin Grove-White.

Cafwyd wybod bod arian wedi ei sicrhau gan y cwmni er mwyn cwblhau arolygon ac astudiaethau, a bod y prosiect ar fin rhoi cyflwyno cais cynllunio llawn. Pwyysleiswyd nad oedd y cwmni wedi cuddio unrhyw wybodaeth gan y gymuned, ond hefyd nad oedd y prosiect wedi ei hyrwyddo hyd yma gan nad oedd unrhyw sicrwydd y buasai yn llwyddo. Deallwyd bod y cwmni wedi cyrraed cam hyrwyddo ac ymghynghori erbyn hyn.

Cafwyd draws-doriad o gostau codi a chynnal y tyrbinau, a hefyd yr arian all ddod yn ol i'r gymuned dros gyfod o amser - £3.5 miliwn dros oes y prosiect. Bydd yr arian yma ar gael er budd y gymuned i gefnogi cynaladwyedd, yr amgylchedd, y gymuned, treftadaeth a diwylliant ac iaith. Dim ond cymunedau Mechell a Llanbadrig fydd yn gymmwys.

Deallwyd bod nifer o brosiectau tebyg yn yr Alban, a bod prosiect ynni cymunedol hefyd yn Abergwyngreglyn (tebyg o ran maint ond ynni dwr).

Mae angen i'r cwmni ddangos cefnogaeth gymunedol er mwyn sicrhau arian i fedru cyflwyno cais cynllunio am y prosiect. Bydd angen codi £300k tuag at y prosiect os fydd yn mynd yn ei flaen.

Deallwyd byddai'r tyrbinau yn debyg o ran cynllun i rai eraill yn yr ardal, bydd yn 500kw, 45m i'r hub, a 70m i'r llafn (tebyg i dyrbin Tai Hen).

Pwysleisiwyd bod y prosiect yma a phrosiect Rhyd y Groes yn ddau brosiect annibynnol.

Cytuno bod angen edrych ar bob cais cynllunio yn unigol a pheidio edrych yn unig ar fudd ariannol. Mae teimladau cymysg yn y gymuned, a chredwyd bod angen cyfarfod agored cyn gynted â phosib er mwyn rhannu gwybodaeth a denu cefnogaeth. Cytuno bod angen trefnu digwyddiad cyhoeddus, ond bod angen bod yn ofalus nad oedd rhoi llwyfan i bobl allanol ddod i wrthwynebu a ffraeo. Prosiect i'r gymuned yw hon a barn y gymuned sy'n bwysig.

Mewn egwyddor cytunwyd bod y prosiect yn syniad da ond i'r gymuned ei gefnogi.

Byddai'r incwm o'r tyrbin yn cael ei weinyddu gan banel, a gan nad yw'r cwmni yn elusen gofrestredig, bydd mwy o ryddid ar sut fudd yr arian yn cael ei wario. Bydd prosiectau e.e. paneli solar ar adeiladau cymunedol yn cael blaenorhaeth. Cadarnhawyd y byddai'r gymuned gyfan yn cael ei drin yn gyfartal ac na fyddai iaith yn rhwystr. Byddai syniad cael rhestr o brosiectau posib cyn cyfarfod cyhoeddus fel bod modd cynnig esiamplau.

Diolchwyd i Jac Jones ac Eric Torr am eu hamser ac am ddod i annerch y cyfarfod.

Jac Jones gave a summary of the background of Cwmni Talybolion and how it came about. It was understood that it is a partnership between Menter Mechell and Cwmni Cemaes. Members were reminded that the Council had been supportive of the initial idea to erect a wind turbine for the benefit of the community. Land on the Brynnddu Estate has been identified for such a turbine through the generosity of Mr Robin Grove-White.

Funding has been secured by the company to complete studies and surveys, and the project is at the point of submitting a full planning application. It was emphasised that the company has not hidden anything from the public, and that it has not either promoted the project or its activities as there was no guarantee that it would succeed. It was understood that the company has now reached a promotion and consultation stage in the development of the project.

A cross section of the costs for erecting and maintaining the turbine was given, along with the income expected for community benefit over the life of the project - £3.5m over the life of the turbine. This funding will be available for community benefit to support sustainability, the environment, the community, heritage and culture and language. Only Mechell and Llanbadrig communities will be eligible.

It was understood that there are similar projects in Scotland, and also at Abergwyngregyn (similar size but a hydro project).

The company needs to demonstrate community support to secure funding to submit a planning application. There will be a need to raise £300k towards the project should it get the go ahead.

It was understood that the turbine would be of a similar design to others in the area. It would be 500kw, 45 to the hub and 70m to the tip (similar to that at Tai Hen).

It was emphasised that this project and the Rhyd y Groes development are two separate entities.

It was agreed that each planning application needs to be considered on its own merit and not on community benefit alone. There are mixed feelings in the community, and it was believed that a public meeting is required as soon as possible to disseminate information and gain community support. It was agreed that there was a need for a public event, but being careful not to provide a stage for external bodies to oppose and argue. This is a project for the community and it is the community's view that is important.

In principle, it was agreed that the project was a good idea as long as the community was supportive.

The income from the turbine would be administered by a panel, and as the company is not a registered charity, there will be more freedom as to how the fund is distributed. Projects such as solar panels on

community buildings would be prioritised. It was confirmed that the community on a whole would be treated equally and that language would not be a barrier. A list of possible projects would be beneficial to provide examples at a public meeting.

Jac Jones and Eric Torr were thanked for their time and for addressing the meeting.

Toiledau / Toilets

Deallwyd nad oedd toiledau'r traeth yn barod i'w hagor a bod problemau'n parhau. Cytuno bod rhaid i'r adeilad fod yn berffaith cyn i'r Cyngor Cymuned gymryd cyfrifoldeb ohono. Gofynnwyd i Elfed Jones gysylltu â Steffan Hughes i geisio datrys y sefyllfa cyn i'r Cyngor gysylltu â Mr Dewi Williams i ddatgan ein hanghydfod.

It was understood that the beach toilets are still not ready to be opened and problems continue. It was agreed that the building needs to be 100% before the Community Council assumes responsibility. Elfed Jones was asked to contact Steffan Hughes to address the issue before the Council contacts Mr Dewi Williams to voice our concerns.

Adroddiad y Pwyllgor / Finance Committee Report

Cafwyd adroddiad o'r cyfarfod diwethaf gan Marilyn Hughes, a chafwyd diweddarriad ar rai o'r materion a drafodwyd.

- Les Cae Chwarae Tregele - nid yw'r perchnogion am werthu'r tir. Cytuno bod £335 y flwyddyn yn ormod o rent i'w dalu am ddarn bach o dir (cyfanswm gan gynnwys £85 y Cyngor Sir). Deallwyd bod Pwyllgor y Cae wedi cynnig talu hanner y gost ond cytunwyd nad oedd hyn yn deg ac nad oedd y Cyngor yn fodlon iddynt wneud hynny. Cytuno cysylltu eto a chyfreithiwr y perchnogion a chynnig rhent o £150 y flwyddyn am gyfnod o 10 mlynedd.

Mae Dr Tom Conway wedi bod mewn cysylltiad â nifer o aelodau'r Cyngor i geisio brysio'r sefyllfa, ond mae'r mater yn nwylo'r cyfreithwyr, ac fe gytunwyd bod rhaid i'r les gael ei gwblhau yn gyfreithiol.

Marilyn Hughes gave a report from the last meeting, and members were given an update on some of the matters discussed

- Tregele Play Area Lease – the owners do not wish to sell the land. It was agreed that £335 per annum was too much rent to pay for a small piece of land (total including IACC). It was understood that the Play Area Committee had offered to pay half the cost but it was agreed that this would be unfair, and that the Council would not allow them to do so. Agreed to contact the owners' solicitor again proposing a ten year lease at £150 per annum.
- Football Field Lease – It was confirmed that the lease was with the solicitor, waiting on the Club's solicitor to confirm that they are happy before engrossed copies are to be produced. Dr Tom Conway has been in contact with a number of Council Members to finalise the matter quickly, but the lease is in the solicitors' hands and must be completed following legal procedures.
- The members were happy to appoint Mr John Roberts as the internal auditor, and those present were informed that the external audit was set to take place at the end of May.
- Agreed that work was required to secure the cemetery shed.
- Agreed that a meeting is required to apply for funding for the Christmas Lights. It was understood that the Partnership are already looking at possible grants.
